AMERICAN WHISKEY

American Whiskey starts with wheat and corn grown nearby our distillery in Lakewood, New York. It is first rested on hand-charred, locally grown and milled white oak staves. We then finish it in whiskey barrels in the spirit of true pioneers. Oaky and vanilla notes with toasted oak, dark coffee and subtle sweetness on the palate.

BOTTLED IN BOND BOURBON

LIMITED BRAND

100 PROOF | 50% ALC/VOL

750ML BOTTLE | 6 BOTTLE CARTON

Our first batches of bourbon, four years later. Complex layers of caramelized notes, worn leather, stone fruits and lingering sweetness.

BOTTLED IN BOND BOURBON

Since 1897, Bottled in Bond has been the highest quality standard for aged bourbon in the country. Our first batches of bourbon were distilled during the fall of 2015, barreled, and carefully stowed away. Sixteen seasons came and went before we released this bottle with its special Bottled-in-Bond distinction.

Being patient certainly has its benefits. This four-year-old bourbon has aromatic notes of caramelized sugar and almond, with hints of cigar box and worn leather. The forward heat on the palate is balanced by softer characters of dried stone fruits, resulting in a layered complexity of flavors and a lingering sweetness.

AWARDS

We wouldn't be alone if we said we take distilling seriously. But day after day we prove that we go a little farther than we need to. It's the unrelenting drive to never overlook the smallest details that separates us from the rest. We set our particular standards, then set them higher, and higher still. This is reflected in our products, and manifested in the many awards we've received in the few years we've been around.
